

The Knox News

from Mike & Sheryl serving with Cru

November 1, 2017

Dear Friend,

This school year, after years of focusing on our family's needs, I'm (Sheryl) back to a regular role at Cru Headquarters using my administrative skills. Since I have 3 years left with kids in high school, I thought Cru's high school ministry would be a strategic place to give my time. So, I have joined the High School Global Missions team. Pictured with me are the other two new members to the team, Bethany McKinley and Ashley Kortz, who is just back from a year working in Hungary.

The nine members of the High School Global Missions team works together to send teams to other countries to start high school ministries in places where Cru would like to have a high school ministry, but doesn't yet. The team would help the local staff get a ministry to students started in their country.

Mike's work with international students studying at the University of Central Florida this year has him heading up the American Friendship Partnerships. He has 210 international students asking for an American friend, or local family to befriend them. The picture at left is from three days of "tabling" during the first week of classes with all of the other UCF registered student organizations (RSO's).

Using this contact information gained from tabling, we invite students to (Cru) Bridges International events relevant to them. The picture at right is of 170 people at our Chinese Welcome Dinner. The Middle Eastern Welcome Dinner and an All Nations Picnic are two more of many events where we gather students, build genuine friendships and invite them to other social and relationship building activities where we can connect further and prayerfully introduce them to Jesus.

One family note...please join us in thanking God that our 20 year old, Rachel, did not end up with a crushed face as her air bag failed to deploy last week in a 55 mph crash into a Jeep. We are so grateful for your prayers and partnership as we trust God to be at work to use us together in reaching lost people in need of a Savior. Would you continue to pray for us in November?

Thankful,

Mike + Sheryl
