April 28, 2018

Dear Friend,

What is your worth? How do you measure it? What are you known for? This week at Cru's Global Day of Prayer, these were the questions I found myself personally reflecting on. Cru staff have no doubt about what our founder, Bill Bright, was known for! His two primary messages were: 1) Never lose your First Love (with the Lord) and 2) Walk in the power of the Holy Spirit! Now these two themes are part of something we refer to as living out the **3G Life: GOD-ATTENTIVE, GOD-DEPENDENT, and GOD-RESPONSIVE**. The picture below helps illustrate what the 3G life looks like. That is our desire for us and for you too!

## PRAYER REQUESTS:

- ❖ Please pray for Mike in May as he serves with:
  - Cru's Office of the President as I serve Steve & Judy Douglass and at their many events
  - Cru City's Toolbox4Life as we upgrade a facility for women escaping from human trafficking
  - Bridges International @UCF as we celebrate the semester's end, help international students and scholars with their summer transitions, and seek God's direction for the Fall Semester.
- ❖ Please pray for Sheryl as she serves:
  - With Cru-High School sending students on international summer missions
  - Guiding the baccalaureate service for graduates of our local high school
  - Leading the Lake Nona High School Mom's Prayer Group every Friday.
- ❖ For our family as we swell from four to six Knoxes in the house for the summer!
