I Am the Good Shepherd

Series: "The I AM Who Changes Who I Am"

John 10:11-21 • Pastor Paul Bradford

Jesus revealed that he is the Good Shepherd.

- Jesus lays down his life for us.
- Jesus speaks to us and leads us through his Word and Spirit.
- Jesus cares for us.
- Jesus protects us.

We must trust the Good Shepherd and follow him, especially in the shadow.

We are called to shepherd others.

Our Response: Jesus is the Good Shepherd who loves you and watches over you. Trust and follow him on the mountaintops and in the valleys, listening carefully for his voice.

Life Application Questions

- How can I listen more intentionally for my Shepherd's voice this week? What are some of the barriers that prevent me from hearing?
- What life "valley" am I in right now? How can I trust and follow my Shepherd through this season?
- In what other areas of my life do I need to trust more deeply in Jesus' care and protection for me or for my loved ones?
