Our Weapons - Faith & Salvation

Series: "Spiritual Warfare"

Ephesians 6:16-17 • Pastor Paul Bradford

- **Times you can expect spiritual attack**

- When you are vulnerable
- When you are moving forward spiritually
- When you are invading enemy territory
- When you are breaking free from sin
- When you are near to a breakthrough or blessing

- **The shield of faith:** We quench the flaming arrows of the evil one through trust in God and his promises.

- **The helmet of salvation:** We find protection as we renew our minds in God's truth.

- **Our Response: As we trust God and His promises, and renew our minds in His truth, we will be made strong in the Lord and take hold of His destiny for our lives.**

- **Life Application Questions**

- What areas of your life are most vulnerable to spiritual attack (anger, money, worry, food, lust, pride, impatience)? When are you most vulnerable? How can you be on guard?
- What flaming arrows are coming at you right now (such as difficult circumstances, doubts, temptations, relational conflicts)? How can you trust God and his promises in that area of your life?
- Where might you have conformed to the world and its value system? What are you going to do about it?
- How is God prompting you to renew your mind in his truth? What steps can you take this week?
