Love

Series: "Little Things That Make a Big Difference"

Colossians 3:12-17 • Paul Bradford

- You are holy and loved.
- Love others as you have been loved.
- Be transformed by God's Word through God's Spirit.
- Let your hearts overflow with love-filled worship.
- Let every word and deed be done in the name of Jesus.

Response:

- God is amazing; his love is unfailing. Love one another as he has loved you.

Life Application:

- Take 10 minutes each morning to be quiet before the Lord, receiving his love and experiencing his holiness with you. Next, spend a few minutes worshipping God spontaneously. Finally, spend a few minutes in God's Word. This simple rhythm can be life-changing.
- Read slowly through Colossians 3:12-17, taking a moment to think about each word or phrase. What aspect of Christ's nature do you believe God is prompting you to cloth yourself with today?
